Founder

Dear Central Coast Neighbor:

Founded in 2015, Fashions for a Purpose (FFAP) is a nonprofit organization aimed at raising awareness of all forms of domestic violence and sex trafficking. Our mission is simple: To engage and empower individuals as we promote safe dating practices and raise awareness against domestic violence.

Since our inception, **FFAP** fundraising events have help bring in over \$166,000, to support domestic violence victims, shelters, and programs, all right in our own backyard of San Luis Obispo and Santa Barbara Counties. We are partnered with the Mary Kay Foundation, a 501(c)(3), and Lumina Alliance to provide substantial grants each year to domestic violence shelters and programs.

These programs provide direct education to victims, including recognizing and understanding the various signs of physical, mental, and emotional abuse. It is critical that victims have access to these programs which help them recover, heal, and teach them how to have safe, healthy relationships.

This year, we have a goal of raising \$36,000 for our 2023 fashion event! Sponsorships*, direct donations for our silent on-line auction, and fashion show attendance are our main ways of fundraising. Through our website and social media, our message has the potential to reach people coast-to-coast.

Please join us and help us end the cycle of violence!
